BANDAI NAMCO Amusement Europe Limited (Mr James Anderson),

Thank you for your representation which we received as follows:

Representation ID: 2512
Document: Southend Central Area Action Plan (SCAAP) - Revised Proposed Submission 2016
Section: Policy DS5 - Transport, Access and Public Realm
Support/Object: Object

Dear Sir / Madam

I object to this policy (DS5) and believe it will not be effective and infact will be detrimental to the development of the town.

Southend thrives on tourism and is a leading tourist destination in the UK.

If anything the council should be looking at ways to nourish the business to help it thrive not to limit the business and therefore the local economy.

CHANGE TO PLAN

I believe there should be additional car parking facilities provided in the town and especially on the sea front area of the town.

The document is unsound because it is not:
iii. Effective

How you would like your representation to be considered at the independent examination: Written representation.
